New Policies to Increase Access & Choice for Students with Disabilities: What Should families know

Learn About:

- OCR guidance to increase students with disabilities access to charter school choice
- CDE enrollment policies and rule changes
- Understanding rights when navigating enrolling your student into a charter

Topic: New Policies to Increase Access & Choice for Students with Disabilities: What Should families know

Dates: Thursday, October 13, 2022, 6-7pm

Place: ZOOM

Registration Link: <https://www.tfaforms.com/5012041>

Learning outcomes:

As a result of multiple Office of Civil Rights complaints being filed Colorado Department of Education has recently changed its enrollment policies to align with OCR guidance and to increase students with disabilities access to charter school choices in their area.

The panel, listed below, will provide participants with additional context for the rule changes as well as a better understanding of their rights when navigating enrolling their student with a disability into a charter.
