Shift

- **Learn about** Vocational Rehabilitation and Centers for Independent Living.
- **Interact** with other young adults and parents about hopes and plans for the future.
- **Get information** for accessing the supports and services you need.
- **Explore possibilities** for people with disabilities to live the lives they choose.
- **Leave with next steps** for adult life, career planning and job support.

The Shift Project provides transition training and resources to parents and youth with disabilities.
