**A free program for young people with  
disabilities in the Pikes Peak Region &  
their families.**

**To learn more:** Free informational webinar on  
April 14, 2021 (see green box on the left).

**Who:** Youth (ages 16-23) and their families in  
the Pikes Peak Region

**When:** April – December 2021

The program includes a 1-day workshop,  
monthly webinars and individual support for  
building your network.

**Where:** Online (Zoom) meetings and as  
arranged.

Youth and families will receive training on  
building a personal network during transition  
and individual help from trained network  
facilitators. Participants will develop self-  
advocacy skills, learn how to build and  
maintain supportive relationships, and plan for  
the future in a positive, strengths-based way!
