

# Life Launch Transition Workshops

A three-session series for Youth with Disabilities and their Parents in **Pueblo**

- **Learn about** Vocational Rehabilitation and Centers for Independent Living.
- **Interact** with other young adults about hopes and plans for the future.
- **Get information** for accessing the supports and services you need.
- **Explore possibilities** for people with disabilities to live the lives they choose.
- **Leave with next steps** for adult life, career planning and job support.
