This training is designed to give you an understanding of the principles of an Individualized Education Program (IEP) for a student receiving special education services under the Individuals with Disabilities Education Act (IDEA).

Facilitated by PEAK Parent Center and the Colorado Department of Education, you will gain knowledge about the requirement for the assignment of an Educational Surrogate Parent (ESP) for students in-need and an understanding of the special education process and how you can be involved, what to expect in the IEP process, and how to participate in the educational planning for a student.
