

March is

# Women's History Month

## Resources for women with disabilities:

### Center for Research on Women with Disabilities (CROWD):

CROWD offers resources on sexuality, reproductive health, self-esteem, and stress management.

### Disabled Parenting Project (DPP):

DPP offers resources for parents with disabilities, including online communities, peer support, and mentoring programs.

### Inclusive Futures:

This organization supports women-focused organizations of persons with disabilities (OPDs) to advocate for the needs of women with disabilities.

## Meet Brittanie Hernandez-Wilson

Hernandez-Wilson is known for her intersectional approach to advocacy, emphasizing the connections between disability rights, racial justice, and other forms of oppression.
